

## QUALITY POLICY

AUS Holdings (AUS) IS COMMITTED TO MEETING A CONSISTENT AND HIGH STANDARD OF QUALITY IN ALL OUR ENDEAVOURS AND TO ENSURE THAT OUR PRODUCTS AND SERVICES MEET CUSTOMER NEEDS AND EXPECTATIONS IN A TIMELY AND EFFICIENT MANNER.

AUS Leadership are committed to ensuring that the importance of quality in our systems, products and services are embraced and embedded in both the company's and our employee's culture. To fulfil this requirement, we commit to the following:

- To comply with applicable legal and other requirements such as industry standards, specifications, contractual requirements and supply agreements to which AUS subscribe;
- Include the consideration of quality issues in the setting and review of business strategies and initiatives;
- Providing clear focus on priorities by establishing business and quality objectives;
- Apply an integrated and practical quality management system, underpinned by consultation processes with relevant stakeholders;
- Making available the necessary resources to ensure that the Quality Management System remains effective in achieving business and quality objectives;
- Provide adequate resources to educate, train and motivate our employees to deliver our quality objectives always and ensure that continuous professional development strategy remains core to our business goals; and
- To monitor our systems and implement strategies to continual improve.

AUS is committed to the ongoing and continual improvement of our quality processes. This Policy will be communicated to all staff, contractors and suppliers, and be made available to the public.
