

Environmental Policy

The Aboriginal United Services (AUS) Executive are committed to protecting the environment, including the prevention of pollution through identifying and mitigating environmental aspects and impacts. AUS will endeavour to strive to continually improve our Environmental Management System and remain compliant to all relevant environmental legal obligations.

Environmental Objectives

The AUS Executive, management and workers at AUS are committed to:

- Implementing processes to minimise waste and protect the environment;
- Actively promoting recycling both on our work sites and within our administrative processes; and
- Purchasing environmentally friendly products wherever possible.

As part of our systems and processes we will, where required and needed:

- Train, educate and communicate with workers, contractors, and other relevant interested parties regarding this policy and expectations towards protecting the environment where reasonably practicable;
- Ensure this policy is retained as documented information, and available to interested parties;
- Define and meet objectives, by documenting and monitoring measurable environmental targets;
- Conduct management review meetings to ensure our Environmental Management System is reviewed and controlled appropriately;
- Report, investigate and apply corrective actions to environmental incidents;
- Communicate information regarding safety and health issues to the workplace where appropriate;
- Evaluate and fulfil environmental legal and other requirements applicable to the company;
- Document and mitigate company environmental aspects and impacts where reasonably practicable;
- Provide, where required, training and awareness for workers,
- Conduct audits of core processes within the business as part of our Continual Improvement Process;
- Ensure our Environmental Management System is conformant and certified to ISO 14001:2015; and
- Review this policy every two years.
